

1 July 2026

Dear Grade 12 Parents/Guardians

As we enter the final stretch of the Grade 12 year, receiving the Preparatory Examination timetable is a reminder that the countdown to the final examinations has truly begun.

Your child has received a **temporary examination timetable** to provide an indication of the examination schedule and to assist with planning. Please note that this timetable is **subject to change** until it has been finalised and officially approved.

Over the coming weeks, we will arrange meetings with you and your Grade 12 learner to discuss their academic progress and performance. At the end of this term, the Grade 12 Class of 2026 achieved an **86% pass rate** and a **66% Bachelor's pass rate**. While these are encouraging results, there is still significant work to be done to ensure every learner reaches their full potential in the final examinations.

Please also take note that the **Matric Farewell** will now take place on **21 August 2026**. The date has been moved one week earlier to accommodate the Preparatory Examination timetable.

The event will be held at **Bloem Spa Hotel** at a cost of **R700 per learner**.

Learners are requested to confirm their attendance by **21 July 2026**. Formal invitations will be distributed during that week. Payments may be made directly into the **school account**. Please use **"MD" followed by the learner's name** as the payment reference.

Thank you for your continued support and encouragement during this important stage of your child's academic journey. Together, we can help our Grade 12 learners finish the year with confidence and success.

Kind regards,
